FOSTER CARERS FOR SYD

Would you like a dog but are not in a position to give long term commitment? Do you have the time to devote to an unhappy dog or giving it some time to chill out in a peaceful setting away from the rescue? SYD are looking for committed people who can offer short term care to needy dogs in your home.

What you will be doing:

- Caring for SYD dogs in your own home until they can be rehomed
- Dogs might be recuperating from operations or cannot cope with kennel life
- You will be providing all the care they need – feeding, exercising, cleaning, socialising, giving medication and grooming
- Keep accurate records of behaviour

What we are looking for:

- Experience of handling and caring for dogs including challenging behaviour
- A garden is beneficial for dogs
- Willingness to learn and follow all SYD procedures
- Home for all or part of the day

Benefits to you:

- You'll be helping pets to have happy, healthy lives
- Enjoy all the joys of pet ownership without long term commitment and cost
- Gain practical skills and experience and join a great team of like-minded people
- Arrangements will be made for any holidays
- All equipment provided and costs covered

Time commitment:

- You'll be at home for a large part of the week to keep a close eye on your foster dog. A dog needing respite care will need you to be able to offer at least a week of your time to allow it time to settle in with you

Interested? Speak to us on [Facebook](#), pick up a leaflet, ring or use the website contact form.
